Christmas tree showcase

This Christmas, we've invited local businesses and the Fulham Palace community to take part in our first ever Christmas tree showcase! Each participant has decorated a tree with their own festive flair, and now we need your help to choose the winner.

How to vote

Visit the museum reception to collect your voting token, then explore the decorated trees throughout the Palace (look for the Christmas tree symbols on your event map). Once you've found your favourite, place your token in the voting box next to the tree.

The winning tree will receive a trophy and a special prize, with the winner announced on Sunday 13 December.

Every vote counts!

Thank you to all our participants and everyone supporting the showcase. Your support helps us care for Fulham Palace as an independent charity.
