KS2 Literacy Trail

Before you start:

- Make sure you have everything you need: pencils and clipboards.
- Fulham Palace and its grounds are open to the public, so please be respectful of other people using the area. Don't shout, move sensibly around the site, look where you are going and don't leave things on the ground that could trip people up or could hurt small children.
- All of the questions are linked to things outside. You do not need to go inside the Palace to answer any of these questions.
- Have fun!

Here is a map of Fulham Palace and its grounds:
