The queen who visited Fulham Palace in 1403 was called \_ \_ \_ \_

The king who visited Fulham Palace in 1439 Or 1440 was \_ \_ \_ \_ \_ VI

It took the servants \_ \_ \_ \_ days to clear up after the king's visit!

## Did you know?

Do you know what VI means after King Henry's name? It means 6 and is written in Roman numerals. The V equals 5 and the I equals 1, so that means Henry VI was the 6th king called Henry after the Norman Conquest in 1066.

Can you work out what number VIII is?
