

Know your leaves

Can you tell which tree a leaf belongs to, just by looking at its shape? Use our ID sheet to identify leaves in your garden or local park. How many different kinds of leaves can you find?

| Tick each shape if you spot them! | | | |
|---|---|--|---|
|  |  |  |  |
| Holly | Horse chestnut | Maple | Ginkgo |
|  |  |  |  |
| Oak | Sweet chestnut | Fern | Beech |
|  |  |  |  |
| Sycamore leaf | London plane | Pine | Ivy |
