What If KS2/KS3/KS4

This workshop explores what it means to know that there have always been alternatives to what has been given in the present. We are asking the 'What if' questions using Film and Photography and establish a framework on how to create works of art through the lens of Afrofuturism.

Into the Future KS2/KS3/KS4

Through engagement with theatre and performance participants will explore the theories behind Afrofuturism and create some of their own work envisioning the future of society. This workshop is an opportunity to push the boundaries of what can be done and in doing so, imagine a whole new world, and possibilities for themselves.

Dancing Decades KS1/KS2/KS3/KS4

The Dancing Decades' workshop will explore dance styles that have their origins in the African diaspora. Participants will learn and celebrate iconic styles such as: 1960s 'The Twist', Line Dances and 70s Disco! Moving on to the 1980s with different style of breakdancing, 1990s hip hop and the 2000s modern dance.

Storytelling Workshops KS1/KS2/KS3/KS4

Our storytelling workshops take a cross curricular approach to subjects such as literacy, history and drama. We explore stories first hand through theatre and performance and expose students to a range of techniques such as improvising, role-play, devising, imaginative games and many more. It's a chance to get inside the minds of the characters and walk through the story's world. We offer a range of children's books and fairytales and books by Black authors in the UK.

Black in Time KS2/KS3

Travel back in time with our time traveller as they navigate their way back through time and meet influential Black authors that have made an impact on Black British History.

Hair It Up KS2/KS3/KS4

This workshop explores the cultural significance of Black Hair and through a practical interactive, students will learn and recreate braiding patterns that represents symbols of identity, resistance, creative expression and freedom.
