Welcome!

Thank you for joining our 11th annual apple day celebration! We hope you enjoy the day of autumnal celebrations featuring a range of activities for the whole family to get involved with.

Browse our local stallholder market, enjoy delicious food & drink and visit our market barrow for the freshest autumnal produce! Don't miss the crowning of our baking champion and the chance to grab a slice, win big in our tombola and catch an informative apple tour or meet our Palace chickens with members of the garden team.

Visit our family zone in the walled garden and enjoy activities such as archery tag, zorb balling and pottery making. You can also grab a free family photo to remember the day by! Don't forget to enter our children's trail to win an exclusive apple day prize, and stop by our free crafts and storytelling sessions for even more fun.

As an independent charity, Fulham Palace Trust receives no government funding. We rely on the generosity of our visitors, members and donors to help keep the Palace open and free to visit. Stop by our membership stall and learn how you can become a member while enjoying all the perks of Friendship. If you sign up as a Friend at our apple day event, you'll receive a limited edition apple day badge!

Our team of staff and volunteers are on hand to answer any questions and provide assistance throughout the day!

Isabel Ricketts
Events manager

Thank you to our dedicated volunteers, stallholders and partners for contributing to this year's apple day celebration.
