

Teddy bear picnic

please do:

- take your litter home with you
- be respectful to the animals
- be aware we are building a pond and you are responsible for your child's safety in the gardens
- be mindful of other people enjoying the gardens
- be polite to our staff and volunteers
- remember you are responsible for your children whilst on site (e.g don't let them wander to the bathroom alone as this is a public site)

please don't:

- climb trees
- feed the cats, scare the chickens or disturb the bees
- pick the flowers - they are for all to enjoy
- bring your dogs to the picnic

Thank you for helping to make our teddy picnic fun for everyone.
