Christmas fair

Mark your diaries!
The annual Christmas fair
begins on 30 November.

Welcome

Thank you for joining our annual apple day celebration! We hope you enjoy the day of autumnal celebrations featuring a range of activities for the whole family to get involved.

Enjoy delicious food & drink whilst listening to live music performed by The Salisbury Hot Club. Browse the stall holder market and visit the barrow for fresh organically grown produce. Don't miss the crowning of our baking champion and the chance to grab a slice, win big in our tombola, catch an informative orchard tour or meet our Palace chickens with members of the garden team.

Enjoy activities such as archery tag, zorbing and more with SuperCamps in the walled garden. Don't forget to create your own apple day badge, complete the children's trail and stop by our free crafts and storytelling stalls for even more fun. Be sure to join DanceWest for family line dancing.

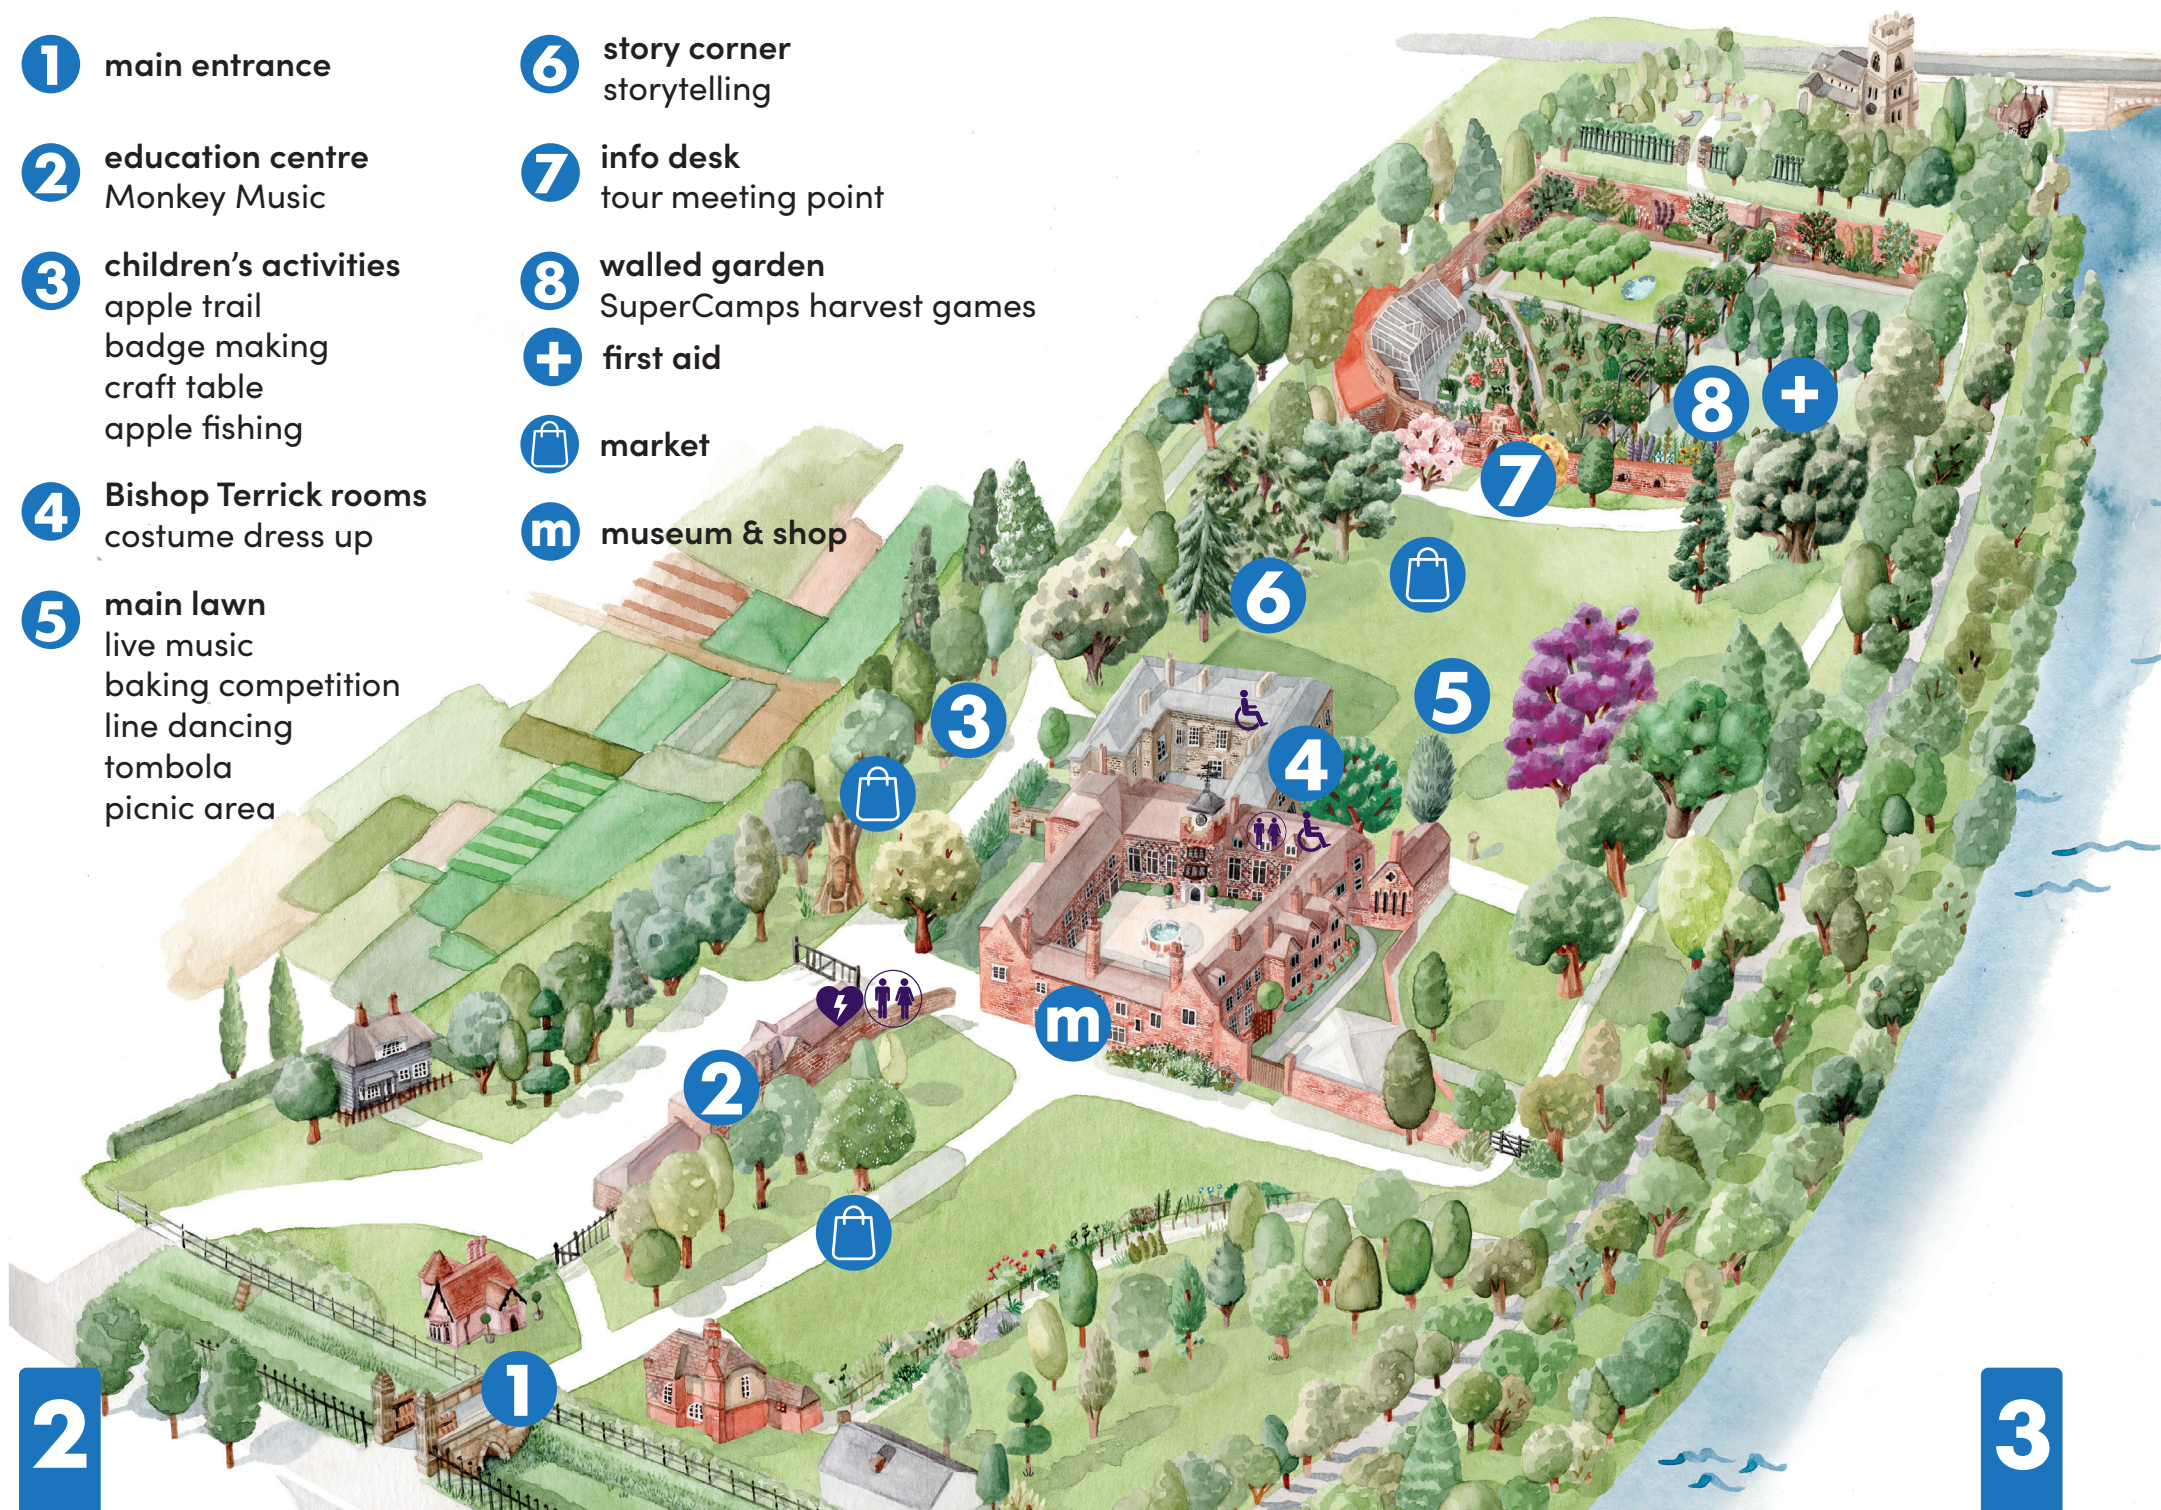

As an independent charity, Fulham Palace Trust receives no government funding. We rely on the generosity of our visitors, members and donors to help keep the Palace open and free to visit. Stop by the info desk to learn about becoming a member.

If you have any questions or need assistance, flag down a member of our team of staff and volunteers who are on hand throughout the day.

Raphaella Ashford
Events manager

Thank you to our dedicated volunteers, stallholders and partners for contributing to this year's apple day celebration.
