Abingdon Wine Co. Ltd presents:

Can't be bothered

(decent) Red Wine in a Can

welcome

Thank you for joining our annual Christmas fair! This year's event is kindly sponsored by our neighbours at All Saints Church, Fulham.

Younger visitors

We have a number of activities for children, including face painting, storytelling, crafts and a themed trail. Be sure to stop by the Palace's jolly tuck shop stall for a sweet treat!

Families & friends

Sing along to your favourite Christmas carols in the Tudor courtyard and historic Bishop Sherlock's room. Purchase tickets at the tombola table for the interactive family performance of A Christmas Carol.

Feeling peckish?

We have a number of food vendors with delicious hot food and drinks on the main drive or enjoy the warmth of the drawing room café at the rear of the Palace.

Indoor & outdoor market

Shop local and support small business. With over 75 artisan stalls, you're bound to find a gift for everyone on your list! Our popular garden stall is back with a variety of decor, gifts and goodies.

A heartfelt thank you to the performers participating in our Christmas fair and the volunteers who have helped make this event possible.

As an independent charity, we receive no government funding. Thank you for supporting the Palace by attending events, donating and becoming a member.
