Welcome to apple day!

Thanks for joining us for this year's apple day, kindly sponsored
by Fulham Pier. We hope you have a brilliant day celebrating
autumn with plenty to see, do, eat and enjoy.

Take a wander around the market, pick up some fresh
produce from the Palace's garden barrow and enjoy live
music from Alexandra Pulit, Mazvita and Molly Wishart. Join
an orchard tour, meet our Palace chickens, cheer on our
baking competition champion and get involved in games and
challenges throughout the day.

There's lots for younger visitors too, from archery tag and
zorbing with SuperCamps to apple themed activities with the
ScienceOwl. Make your own badge, complete the children's
trail and have get creative with free crafts.

If you've brought something along for the harvest collection, be
sure to add it to the display at the All Saint's Fulham stall. Make
sure to chat with them about their important work helping
homeless and vulnerable people.

Fulham Palace Trust is an independent charity with no
government funding. Your support helps us keep the Palace
open and free to visit. Find out more about ways to support the
Palace at the information desk.

Finally, we'd like to say... *have a lovely day!*

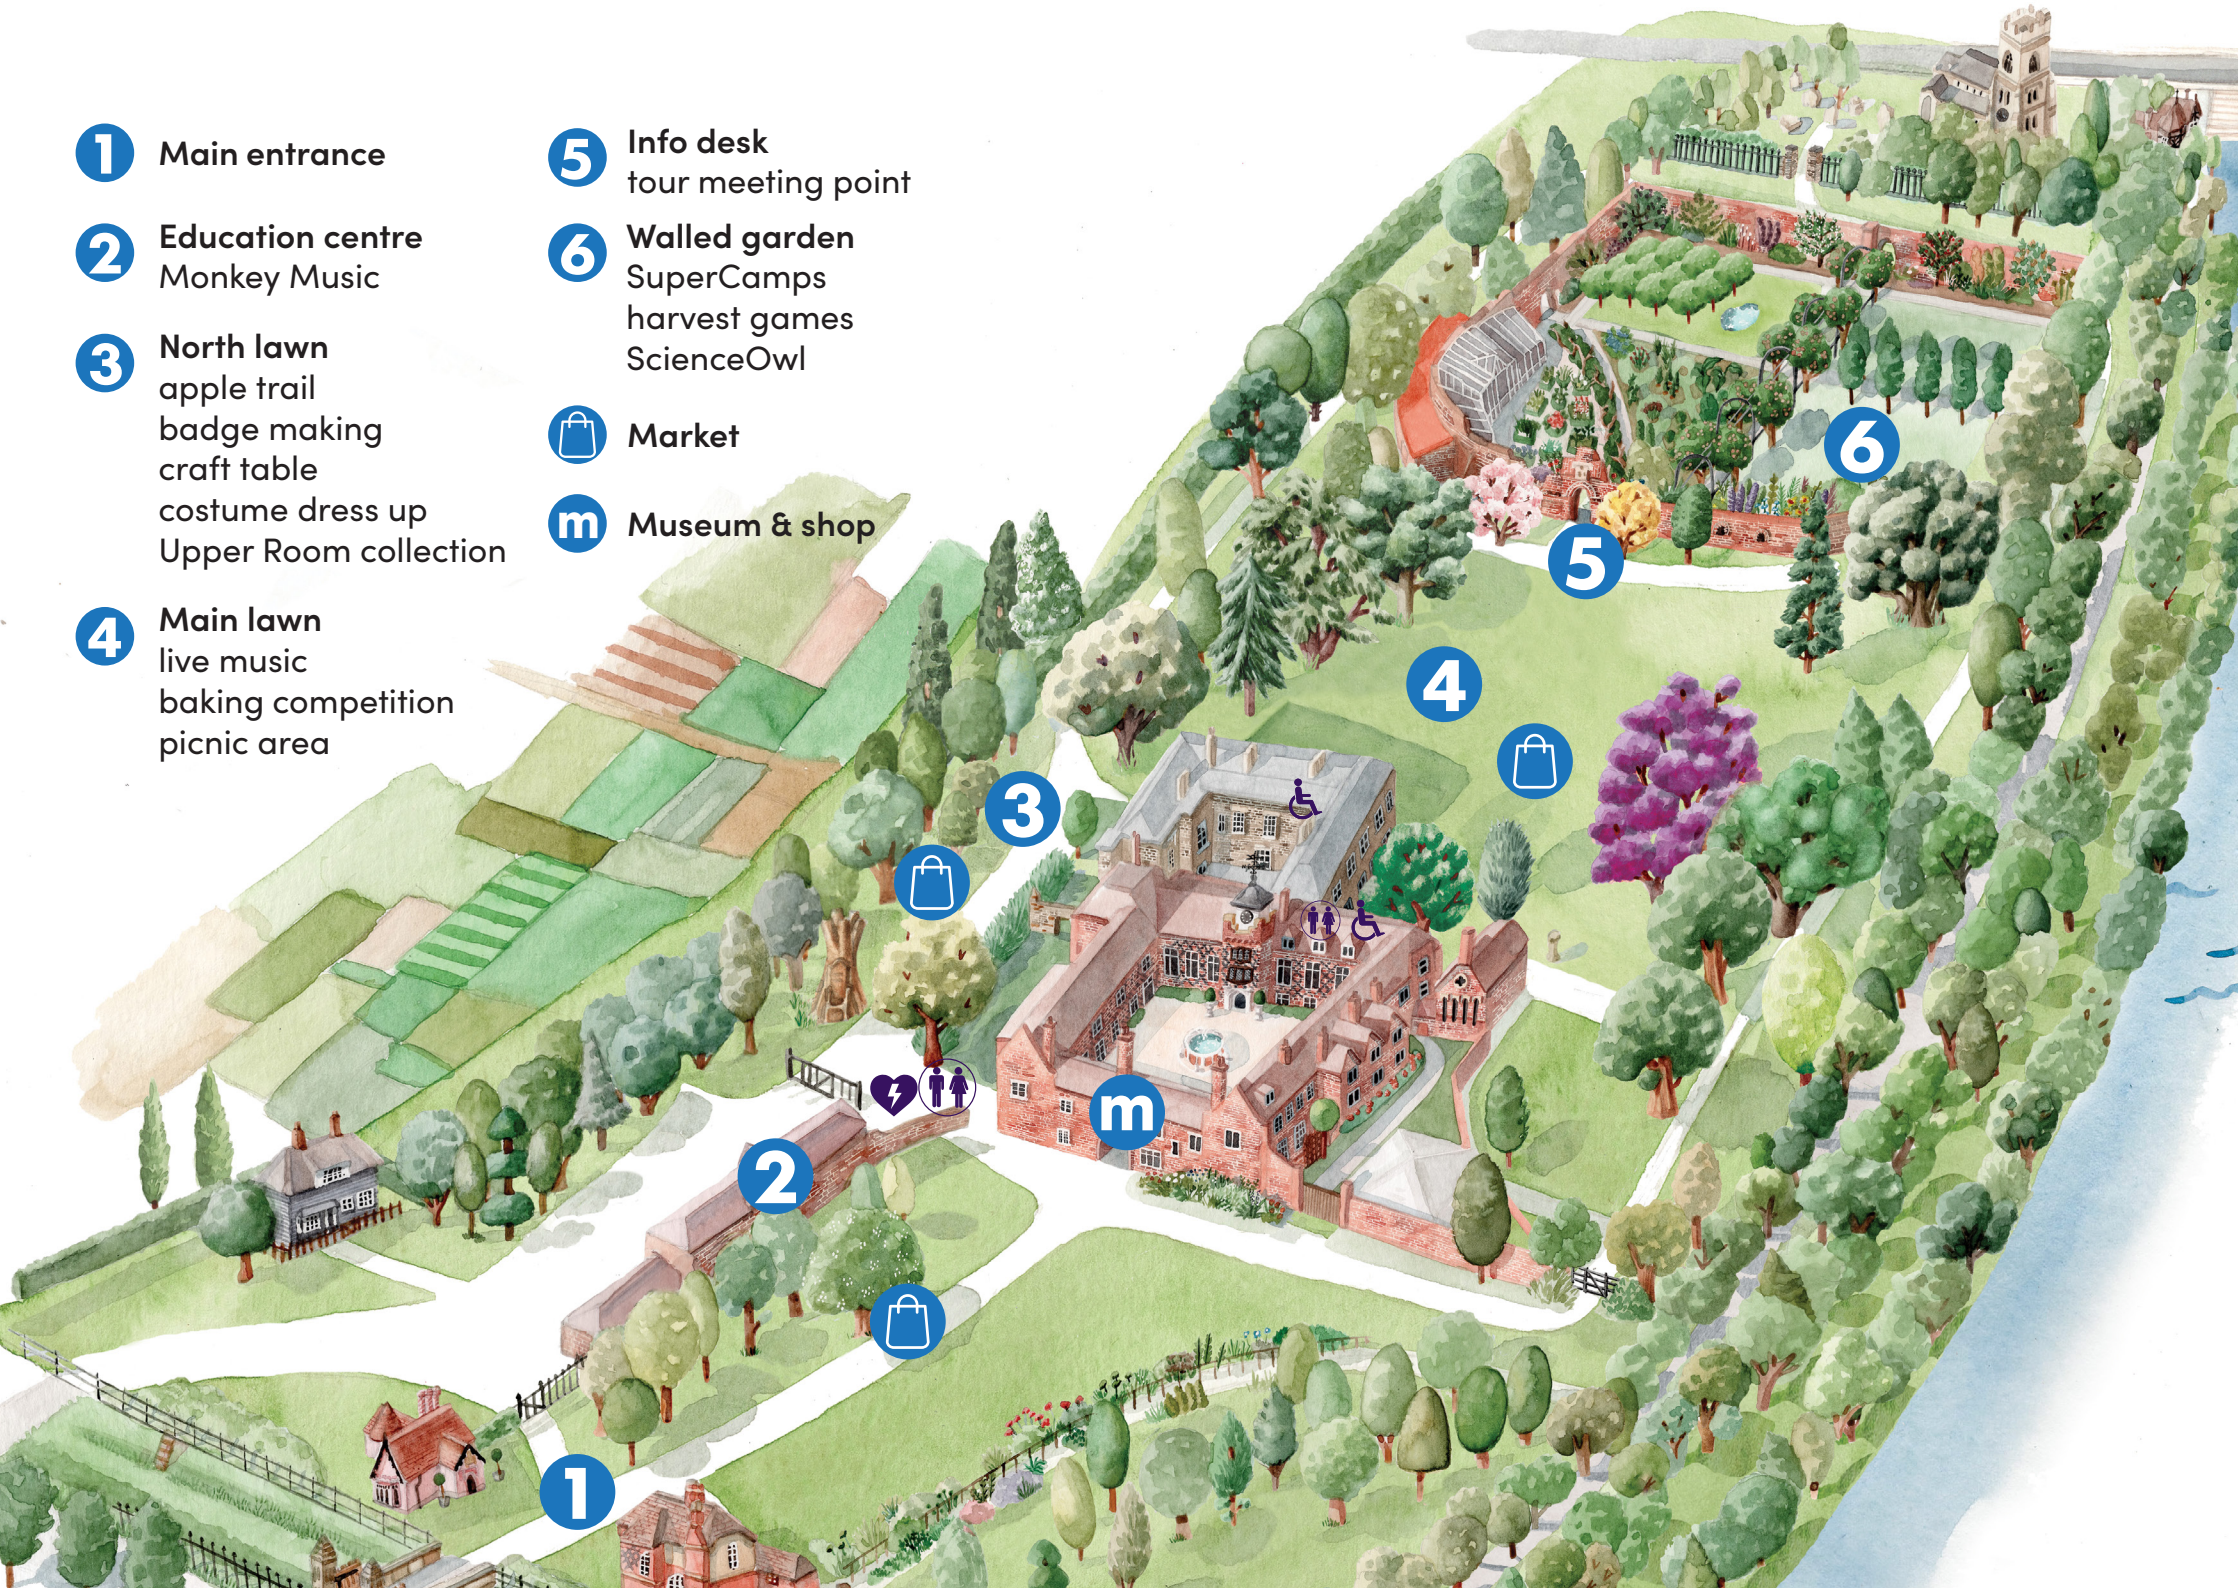

A big thank you to our wonderful volunteers, stallholders,
partners and Fulham Pier for helping to make apple day
happen.
